HOW TO READ THIS GENEALOGY

Each generation is assigned a number, letter or roman numeral. In the case of some families where little information is forthcoming we compiled them with their parents and did not designate them a number, letter, or roman numeral since nothing was known about them except their name. Since we did want to include all that was known about each and every family but not wanting to use up more pages than was really necessary, we instead just listed each of the names as given to us. These are not necessarily in the correct order of birth. Therefore they were not designated a number, letter or roman numeral.

Since so many families had more than 9 children if the number is over that _ (an underline) under the number will indicate that number is in the next set of 10. Number 2 will indicate the person is the 12th child of his father but not necessarily of that mother.

If the letter is in parenthesis that indicates the (a) 1st wife; (b) 2nd wife; (c) 3rd wife. etc. Thus:

HENRY WARD MARTIN JR is the son of HENRY WARD MARTIN SR and his first wife (a) ADA ELIZABETH CLAY. Thus he becomes 1a.

EXAMPLE:

A	DAVID MARTIN
A2	ABRAHAM MARTIN
A2-2	DAVID MARTIN
A2-2-1	ABRAHAM MARTIN
A2-2-1-1	DAVID MARTIN
A2-2-1-1-3	AARON MARTIN
A2-2-1-1-3-3	HENRY WARD MARTIN SR
A2-2-1-1-3-3-1(a)	HENRY WARD MARTIN JR
A2-2-1-1-3-3-1(a)-1	RICHARD DAVID MARTIN
i	RICHARD DAVID MARTIN 2

In this case the lineage is given from David Martin to Richard David Martin 2 using the roman numeral one as his designation number since he is the last in that line at this time.

A reverse of the numbering system will give the lineage from him back to David.

The names in parenthesis indicates that person's parent was the name of the person in parenthesis or the maiden name of the woman.

HOW TO READ THE CHARTS

#1 is daughter of #2 and #3. #2 is son of #4 and #5. #3 is daughter of #6 & #7. Mutiply any number by two and you will find the parents and siblings of that child except on the chart of Catherine Machan Martin.

This chart is complete to parents of that child only because of so many children in each generation.

FOREWORD

You must remember that genealogy is nothing but an expanded bible record of any one family.

When you take a genealogy book,that is not fully documented as gospel,you are taking your family tree for granted. And that is not always the case! You must remember that many, many, many people contribute to that book and each person writing the book just wants to document their own families and that each branch is not fully documented!

In many cases, even in doing this genealogy, we are sure you will find errors, even tho we tried our level best to document each and every case.

Several years ago, my brother in law, Dr. C. Joseph Martin did a thesis on the Martin Family using as his source, Ezra Eby's Biographical History of Waterloo, Ontario 1895. Mr Eby did everyone a great favor by documenting the families living in Waterloo at that time but he also made errors!

When my husband read it over, he told Joe that it was wrong as to the name of Great Grandma Eyman (consort of David Martin) and of course, Mom, (Bernice Irene Benton Martin) said, he took it out of the Eby Book!!! Ward said,"You can just go back of the house and look at the tombstone!" Eby had taken her sister Anna's name as David's wife! Anna married Jacob Hahn who preached the sermon at Elizabeth's funeral.

A few years later, we made a trip thru Lancaster County, Pa. and stopped at the the Mennonite Library. Lois Zook (now Mrs. J. Lemar Mast,Elverson,Pa) asked which Martin branch we came from and since we knew it was Pioneer David Martin's line, she said we might be interested in an article written in the first issue of the Mennonite Research Journal concerning our own David Martin. Ira Landis wrote the article and we corresponded for several years. He was the most careful of all genealogists, searching all the early wills, deeds, histories, cemeteries and correlating family histories. If you were to take any person's word, his would be the one!

We xeroxed that first issue and gave a copy to Mom (Bernice) and she said,"That's not our line!" Having raised Jerseys, she knows her lineage but she had only glanced at the papers! After a stay in Florida that year, Mom came home with a sheet 20' long!!! She had written, by hand, the lineage of everyone she could find! And she said, "That paper you gave me was right!" But not knowing how to read a genealogy, she was confused until she sat down and laid it out on paper!!

Because of an error in a <u>birth</u> certificate as late as 1952, errors are a needle in our side! Our own Phillip Michael Anthony Martin's birth certificate first certified his name as Philip Michael, without the Anthony. Mrs. Carney, the old nurse at the Durand Hospital, when she asked me the name, said, "You're not going to stick all those names on the child!" And,it wasn't until we applied for his birth certificate years later,that we found he was only Philip Michael (and we call him Tony!"). We were living in Shiawassee Twp. when we live in Vernon Twp. He only had one older brother instead of two! And something was wrong about his father's occupation, we think!

And it was until 1964, when I applied to the state for my own birth certificate that I found (after years of following the Osmun line) that my father was HARRY JOSEPH MACHAN, but my mother was VIVIAN BANGAY!!! It said my father (who I didn't know! THEN!!!) was born in Roxbury, Mass. (He was born in St. Lucia Island, British West Indians, Vivian was born in Roxbury!) but it had my own mother's right birth place as Oswego, New York. Vivian was my father's first wife!

When he left Buffalo in 1928, my mother either went with him, or followed him! And at that time (maybe still is) a law against white slavery (taking a minor acrossed a state line for illicit purposes!) He was 27 and she was 16!

For some unknown reason, she decided to use his first wife's name on my birth certificate! Maybe to ward off any trouble? Remember,my grandmother could have hung him up by the heels for years!!! For years after that, I can remember,(Uncle?)Tommy (Tara Miah),calling her Vivian! But he is the only one that did it!

Then through doing genealogy, and wanting to write a book about the famous Osmun family of Oakland Co. Michigan, I called my Aunt Lena, (Eileen Osmun Moon 16 Nov 1898-11 Jan 1986). She was the one person in the family that knew everything about everybody!!!

Had written her several letters wanting her line down! And she didn't answer any of the letters, which was unusual for her! Don't know, to this day, why she didn't answer! But finally called her!

In the conversation, I told her, "Isn't this a hellva note? I have a father somewhere that knows nothing about me!" She said,"Oh, he knows about you! He lived with your mother up until you were 10 months old!" Then she said that she had written to his mother until two years before! And that threw me for a loop!!!

Here I had searched the entire United States looking for my father and all the time, here is Auntie Lena, in Waterdown, Ontario, writing to his mother!

Because we had just gotten direct dial, I called Halifax, Nova Scotia information and asked, "Do you have a Harry J. Machan listed?" The operator came back with,"The number is ---!" Thank God I also asked for the address! Because when I dialed the number, and a little girl (Deborah (Machan) Mrs Lyle Pederson 24 January 1959;Mounville, Alberta Canada and my baby half sister!) answered the phone!

Almost asked, "Is your grandfather there?", when I chickened out and hung the phone up!

Ward had gone to town. And when he came home, I ran out to the car crying my eyes out! And I was 35 years old!

When I told him I had found my father he said, "Why in the heck are you crying? You've been looking for him for 25 years!" My one concern is that I would interupt his life! What if he had re-married and had a whole new family? Which he did! (Carolyn 20 Sept 1944 (adpt), Mrs Jonathan Roung; Harry

Joseph 7 February 1948 (adpt) m. Patricia Ells; George 5 June 1952 (m.Karen div & Sharon div); and Deborah. By his first marriage there is Shirley (23 January 1926;Mrs Robert Nursey Leicshire England) What if I were causing him trouble?

So instead of calling, I wrote a letter! All I said was that I was looking for a man,who was my father,by the name of Harry J. Machan and Ward said to send it return receipt requested and that way only he would get it! Yeah!!! The receipt came back signed MRS Harry J. Machan! And I was devastated!! Figuring"Now,Catharine, you have really done it!!"

Well all turned out well because he wrote back saying,"Who you are I can only guess, unless you belonged to a woman I first met in Buffalo, New York!" My grandmother MARY CATHARINE McPHEE OSMUN MALLEY (1877-1934) ran a rooming house at 38 Seneca Street (a house I can remember like it was yesterday) and surely this had to be my father!

To make a long story short, he wrote back in the sixth letter, "Hold on to your hat, roll out the red carpet, I'll be there the end of July!" He and Theresa (Wise d 1968) met me in Oswego at the home of my Aunt Alice (Osmun) Greeny (23 Dec 1901-1987) and drove back with them. They came for three days and stayed three lovely weeks!!

Mama never told me much about my father before she died! (Other than he had blue eyes and looked like Gary Grant! Not by 1964, he didn't!) By, the way, she also had the bluest eyes you ever saw, but mine are hazel!) The fact is, that until the age of 10, when Miss Wood, my third grade teacher, asked me who was Harry J. Machan, Mohammed Sikander Al(1)i (1904-1960) was my father and I was brought up Moslem until I was 14 when he and my mother were divorced.

Trying to hide an illegimate child under a bushel basket is dumb! That has been going on since Adam and feeling quilty about a natural part of life is crazy!

There are wills in the New York Genealogical and Biographical Record written back in the 1700's which reads, "the children of Mrs. --- by me, as long as she remains his wife." This could be taken as bastard children or as his children and his divorced wife has re-married or that he knew, in advance, that she was going to be Mrs. ---?

Tho we are not in favor of ERA, following the woman's line is as imporant to us as the men! Men seed them,clothe them,feed them, but the woman bears them, nurses them, and gives them hope and inspiration for later life. We hope!

Doing genealogy is fun. And they say Genealogists are either curious or damn nosy! Our reason is curiousity! And the love of history! There are times we think we are living in the American Revolution instead of 1988!

Doing genealogy, you gather a piece here! A piece there! And then someday, hopefully,(if someday ever comes!) you sit down and finish putting all those little pieces together.

And then, years from now, just maybe, after sitting up nights and burning up the midnight oil, someone will say,"Bless him or her for writing it all down!" And they are looking down and say, "Thank you for the appreciation!"

AN OPEN LETTER TO OUR GRANDCHILDREN

To Richard, Michael, Jeremy, Nicola, Cathy, Tanya, Philip, Randy, Willie, Alicia, Topher, and Brandi:

You are our grandchildren, our life and our future! You will have our descendants! This letter is to you to explain why I am doing this genealogy!

You know I have always thought cousins should be close, but as you come along in the later generations, you will crisscross across this nation and grow apart, but you will know that out there is your family!!

You will know your aunts and uncles all the way back to the imigrant (we hope?) And hopefully you will appreciate the effort, time, and the heart ache that went into making this book.

Heartache because we miss all those we knew that have gone on before us! And hopefully we will all see each other one day!

In writing this book, we are making a family for all the future generations to cling to only if you make it available to each of your own children and grandchildren. One thing we want you to know is that copies are in Fort Wayne at the Allen County Library, Flint Public Library, and of course Michigan State Library at Lansing, Michigan.

This is not just a genealogy for you but for anyone who drops off the tree somewhere! That is why we included the charts for the three Mrs Henry Ward Martin (Sr. and Jr.).

We want you to realize that these people lived, breathed, married, worked, bore children, hurt, laughed, loved, bled, and when God called them, they died just as you will do! We hope you will love them as much as we do!

Believe it or not, it is important for each of us to understand where we came from. Our roots is so fundamentally important, especially today with all the diseases they are finding that comes with the fact that there is so much inbreeding. It is hard to comprehend the number of people who are now married to a distant cousin and it is so prevalent if you marry in the same area of the country that you were born and lived. And even tho you think there is no relationship, you might find a connection someday.

Do remember, as you grow up, that listening to the older generation, (hey, so we might repeat ourselves!) but they are trying to make you learn from their own mistakes and also to learn about them themselves. It is not just ramblings! So listen up, kids! So we know you can only learn by making your own mistakes, it's just we would like you not to keep repeating history.

Another thing! As to the reason we named your fathers' the name we gave them! Believe it or not, the names might seem like we were carrying the family names down, but it was strictly a coincidence!!!

Richard David, (Rusty until he was about 6 by us, thru high school by others) was named for the song,"Open the Door Richard" that was in vogue at

the time! And maybe the death of Red Skelton's son Richard made an impression on us too! David for my second stepfather Leon David Mitchell (20 February 1881 Caugnawaga,Montgomery County, New York-20 October 1970 Detroit,Mi) By the way, Dad Mitchell had one son (John?) by his first wife Mary--- he left in New York years ago!

Henry Ward Martin lll, Dusty was named after his grandfather as well as his father! (Well! Someone had to carry on the name, didn't they?)

Philip Michael Anthony, (we called him Tony, he is now called Phil), was named Philip for a man I thought was my father (and he went with my mother in 1939-1942), Michael after dear Uncle Mike Golden (born in Russia died 1943) married Aunt Winnie Osmun Golden (9 Oct 1900-5 April 1987) And Anthony, after St. Anthony! Your grandmother Jennie Osmun-Machan-Alli-Mitchell (11 May 1911-12 June 1953) use to get drunk! When she woke up in the morning, she would forget where she put her purse the night before and would walk around the house saying,"St. Anthony, St. Anthony, please come around! I've lost my money and it cannot be found!"

William Kevin, Bill, was named after a man named William Doeffer (d 1958). He and Ruth (Ma Doeffer d. 10 Jan 1961) were the closest things to grandparents you would have ever had. They even lent us their car for your father to take me to Lansing (28 miles away) to have you! And Ma told the hospital she was my mother in order to get into see me! Since you were suppose to be our girl, we never picked a boys' name! And thought you should have carried Pa's name! Kevin, just because we liked the name.

Clay Aaron! Now that was intentional! Because we really wanted to name you Clayton Aymour! Clayton Aymour Johnson was our oil man!!! Not in 1959 but earlier. And when your father was out of work, Aymour came out to the house to deliver oil one day! He asked your father if he had found a job yet! But he said, "No, I haven't money enough to put gas in the car to even go looking for a job!" With that, Aymour, went out and filled the gas tank! And your father found a job with that tank of gas!

When we told him we wanted to name you after him, he said, "What the ---- do you want Bancroft to do, talk about us!" And people are so narrow minded!!

So we named you Clay because of your Grandmother Ada Elizabeth Clay and Aaron after Grandpa Aaron Martin.

And last but not least, to Randy. Although you are the adopted son of Bill, you are OURS!!!!

Sure, our blood may not flow in your veins, but Darling, you couldn't be anymore precious to us! And we couldn't love you anymore than any of our other grandchildren. Each and every one of you are precious to us. It was such a bright day when you came into our lives!

That day we met you at the airport will be a memory we will never forget and the day you saw that vest and skirt that I made for myself back in 1970 (when the skirts were short [and I had a good figure!!!]) and you said,"Never, Grandma, Never!!! And your "awesome" when that was all the fad!

Nickie, the first girl in the family in 68 years! WOW! Poor Dr. Owen!

He had to tell your mother and I three different times each,"It's a girl!" But gee, what a girl! So pretty and smart too! Yeah, you were our first and not spoiled either! You even held your bottle at two months old!

Guess I remember best,you crying for three solid hours at the age of 3 months for nothing! You were dry, fed, burped, and not a darn thing was wrong except Mama hadn't learned you don't run immediately when a baby starts to cry. And sorry, kid, but I did spank you that night!

Cathy, first I remember your parents wanting to name you Tanya Marie (and that's no joke! Wonder why Tony and Diane named Tanya that? Who was Tanya Marie???)

And you took so long in coming that I came home from the hospital cause Michael was born 33 hours earlier! And I was pooped! Those two days were long days for me, let alone your mothers! Took a shower with all good intentions of going back with your Dad to the hospital! But made the mistake of laying down on the bed! And your dad waking me up to tell me you were born and they were naming you Cathy Dawn. That was the name we were going to name the daughter we never had [Thank God!]

You always were a smart girl! Remember you trying to get Nickie into trouble when you were only about two! And my cooking the eggs the way you said you liked them! And then you didn't like them that way!

Richie, what do I remember most about you?

Guess it was how you use to come down and help me all the time! And how you and Cam (Clay Aaron) use to fight over whether I was Grandma or Mom!

You were always a good kid, but really quiet! Remember you coming down and saying,"Grandma, you want to hear me read?" And you preceded to read the book (but there was no book in your hands, you had memorized the whole book)

Michael, oh, you were such a little devil! One day, riding your sled down the slope between your house and ours, you ran right over my grafted blue spruce that I prized. When I asked you why, you said,"It was in my way!"

Jeremy, you were born with hyaline membrane (a skin over your lungs that should have disappeared in a few days, but yours tried to grow) and the first few years you had us all scared we would lose you. Maybe for that reason we all tried to guard you from anything that would hurt you!

The one day in your life that I will never forget is the day, behind our house! You were standing there with all of us! About the age of 9? Allergic to bees and wasps! When I realized you were there with all of us, I didn't even stop to think that I was hurting your feelings! Just yelled at you, "Jeremy, what the --- are you doing out here! Get the --- back to the house!" The wasps were buzzing around like mad!

And the day you were acting so smart before we knew you were allergic! And I told you would get stung! And you did!! And I just laughed! It wasn't very funny by the time we got you to the hospital and you went into cardiac arrest!

But thank God! You made it, but you did look so funny when your lips swelled up and your ears swelled up! You reminded me of a Ubanga, all you needed was the ring in your nose!

And you have such a grasp on computers and on math. Use it kid, use it!

Tanya, you're going to hate me for this but! When you were a baby your mother didn't realize that she was teaching you a bad trick! If you even acted like you were gagging, she would hold her hand out and you would spit your food back in her hand!

And like any child! You learned you could get away with not eating something you really didn't like! Cured you, didn't I?

Then another time, you absolutely refused to eat, period!! If I put food in your mouth, you sat with it in your mouth and just wouldn't swallow!!! How anyone can not swallow for an hour is beyond me, but you didn't!! So, Grandpa finally spanked you!

Of 12 grandchildren you and Nickie are the only two that either of us ever raised our hands to.

And when you came from California at the age of 6 months! Wow, you came right to me!

Made a pot of curry that night! And you ate one bowl, two bowls and screamed bloody blue murder cause I wouldn't let you have the third one and you still love it today, don't you?

Philip, no, I won't called you Tony, you're the only one of our grandsons that ever offered to dance with your grandmother! And that day will be the memory I will cherish! And coloring the Easter eggs last year! And your curiosity. You are just a typical boy! With all a boys' ways! Wonder how you will turn out? Smart and bright, you'll do o.k!

Willie, my boy, Willie! Remember you coming here in 1978 and vaccumning the floor, cleaning the sink (a new plastic sink with Comet! Never have been able to do anything with it since!) Helping out around the house when you were so small.

And you and I taking a bath in the tub when you were only, what 8 months old! Wished we lived closer! You'll do fine too! Cause you're not a dumbbell by any means! And Dad says you're carrying good marks!

Remember when you came back here in 1984! You didn't want to go back to Washington? This farm has that effect on everyone! Not just people in the family!

Alicia, the one thing I remember about you the most is the day you came in from church with a pink fur coat and long white socks. You pulled up your little pink dress and said,"See Grandma," cause you wanted me to see your pretty pink ruffled underpants.

Oh, and the day you were born! Dad and Mom had come down from Lapeer to visit! And we had just bought the second new sofa we had ever owned!

Your father woke me up at 5:AM to tell me you were on the way and they were a good 40 miles from the hospital! And it was snowing! Hard!

And the first I asked about was my couch! Dumb?

That was the longest trip of my life! And your mom was so good! But your poor father was a nervous wreck. In fact, when he came out of the delivery room to tell me about you, he said, "she weighs 11 pounds 6 ounces," instead of 6# 11 oz. And scared me half to death! All I could think about was your poor mother! And she was so happy when I first saw her!

She is a great mom too! Wished I had her brains when my boys were growing up!

Remember when you were just starting to eat solids! Like any baby, you would spit! But she just flicked your lip and you didn't do it after that!

Christopher and Brandi, now I don't know you two all that well because I haven't seen you that much!

Christopher, the one thing I remember most about you is your tow head and you saying "You're my most favorite Grandma, when I think you are thinking about your Grandma Harp!" Wished we could see you more, cause we miss you and Alicia!

Brandi, now, you are only 10 months old. And we saw you for the first time only a few weeks ago but boy, are you bright! You, like Tanya was at that age, quick to pick up every little trick. And you have such a bright future ahead of you.

You twelve children are the light of our lives, remember that! Grow up straight, true to yourselves, and give yourself every break! Don't expect the world to be handed to you on a silver platter! God helps them, who helps themselves.

So many kids today think they have to have everything because they haven't had to struggle for the things their folks had to struggle for. And the government have so many more programs for college today than they had when your parents were growing up.

You have the opportunity to advance yourselves today, so work hard for it! Use it, don't waste it! A mind is a terrible thing to waste, and that's not just a commercial on television! It is true, you have 4 million brain cells, every one will function, if you try hard enough.

See you, later, Alligator! Love, Grandma Martin

NOTE ON ADA ELIZABETH CLAY

When Henry Ward Martin and she were married,they went to Nebraska to stay with Uncle Henry Bashor. Possibly this is where a stillborn daughter was born to them. (ca 1925)

Possibly Uncle Henry couldn't stand to have such young folks around,so they went to Colorado.

After the birth of their son Henry Ward Martin Jr., they returned to Indiana and something happened that they separated and she went back to Youngstown. You must remember that she was a young woman without any folks!

When she got ill, she wrote to the only people she could call on and told them that since she was ill, they would have to come to Youngstown and get her son since she had no one there she thought she could count on!

One day, they appeared at the home of Dora (Wellendorf) Clay's mothers' house and took him home to Indiana with them. And tho his mother wanted him back, they would not let him go.

They raised him until the age of 16, and then, because Amanda Bashor Martin was ill, sent him to Durand, to his father.

Ada worked over the years, as a waitress, and ran a rooming house at 317 Rayen Avenue in Youngstown, Ohio where she roomed a lot of the steel mill workers.

All the 25 years we knew her, she always said she had no family, but at her funeral, we sat trying to figure out who we would use for her pallbearers.

We remembered meeting her brothers years before, but as far as we knew they were all gone!

Sitting in the big funeral room alone with her son, flowers began to fill the room! None of the names on the card meant anything to us!

At the hour of visitation, people began to come in, while we sat there, with dumb looks on our faces, trying to think what to do!!! And then in walked Uncle Floyd Clay and his wife Dora, who we had met back in 1947! Then in came Ward's cousin Betty (Clay) Coy!! And all the rest of Noah's five other children, with all their families. Cousins from as far away as Indiana came too!

The woman laying in the casket, who thought she had no family other than her son, her five grandsons, and four grandchildren (at the time), had family she didn't even know about!!!

CHART OF BERNICE IRENE BENTON

Several years ago, 1977 to be precise, Mom and Dad were heading for Florida for their yearly winter retreat and they came up here from Goshen before they headed down and Mom said,"Why don't you do my family tree!" So I said, "OK!"

Winter came and went and still I had not done one thing on her line! Not that I didn't want to,but matters of that winter just didn't allow it! And spring was coming and it was time for them to come home. We knew that they came up yearly for May breakfast with her family. And still we hadn't done anything on her line!

The day before they were due, we ran to the library and quickly did the census! Ran to the courthouse and quickly gathered the vital statics! And came home about five o'clock, made dinner and sat down with charts to correlate all the material at six! Then,at five in the morning,we finally fell into bed! The charts were done and we felt satisfied that they were done well to a point!! And told her not to take it as gospel since it wasn't checked out!

At nine that morning Mom and Dad walked in,and feeling very good about staying up all night and getting the charts ready for her, she walked in, took one look, and said, "I have all that!" We had even copied the Sares/Sears and Conant Genealogies in the library and felt so good about carrying out those lines back for her, and then she blew the wind right out of my sails!

Then the 1900 soundex and census was released! What a find! Grandpa Benton was still alive and gee, we'll look him up on the census!!! Never, but never,tell anyone that age you found a mistake in their age!! Because we never will again!!

In the census he is listed as being born in July 1892!!! But his delayed birth certificate lists him being born in 1890!! Thought he'd be happy to find out he was 2 years younger than he was, but he wasn't!! Boy, did he get mad!!!

Over the years we pieced together all the little clippings she had, the bible records of Abner Sears Jr., but you can't write a genealogy without all the correct data! Nor can you go on a chance that you are right! Nor again, can you rely strictly on genealogies! You must prove the facts out down the line. And with documentation!!! For this reason, her chart will come to a stop on a couple of lines because of the weird way land, census,birth, and death records read. And just a general funny feeling one gets,when they think there is something that is being missed!

We have checked six states for information, New York, New Jersey, Ohio, Indiana, Wisconsin, and Michigan for information and came up dry. And for only this reason, we will included everything we have found. With all the sources. There are questions that run around in our head and no answers!

Since Joe, Jim and Jerry are so important to us, with their families, it didn't seem fair not to include this chart of their mother's line too! And we have for forty two years thought of her only as Mom!!!

She and Dad were together for fifty five years and she was there every day thru that last eighteen months of his life to feed him and take care of him.

Thanks, Mom, we love you.

FREEDOM OF WORSHIP

Our forefathers born in Europe
And other lands far away,
Became victims of uprisings
Till they knew they could no longer stay.

Religious persecutions made many recoil
For establishing homes in Jesus Name,
So our forefathers came to American soil,
Freedom of worship was the reason they came.

The foundation was laid many years ago
For many generations to come,
Our lines have fallen in pleasant places
A goodly heritage is bestowed to each one.

Be true to the heritage given you,
And pray for this freedom to last,
There's not much hope for the future
To one who respects not the past.

For as tares and wheat grow together,
There's ever the false with the true,
There are always those who are bent to destroy
What our forefathers struggled to do.

Prayer is the handle by which miracles happen,
And faith in the knowledge of truth,
For the past, the present, and the future,
A strong foundation for growing up youth.

An obligation each has for the future
To keep the freedom in which we live,
Be true to the God of Heaven,
Be thankful for blessing he gives.

I'm thankful this nation was founded
On freedom to worship and pray,
As we give our allegiance to the God of Heaven
May he continue to keep it that way.

Edna Hochstetler

A DAVID MARTIN who is thought to be the son of CHRISTIAN MARTIN was born in Switzerland about the year 1691. He died in Earl Township, Lancaster County, Pennsylvania on the 10th of November 1784. He is buried in the Weaverland Cemetery outside of Blueball, Lancaster County, Pennsylvania. There some of his descendants placed a stone to his memory.

David Martin arrived in America on the Ship Molly on the 30th of September 1727 with the spelling of Martin as Mardtin. Aboard the ship with him was a Jacob Marttin who could have been his brother.

David purchased 370 acres of land plus six percent for streams and roads from the heirs of William Penn at the cost of 57 pounds 7 shillings in the Blue Ball Area in Lancaster County, Pennsylvania.

He may have married first in Switzerland a Weaver girl since the Weaver boys also bought land for him some six years before he came to America. If so she may have died on the trip over since there is no evidence of her arriving with David. Some histories says he had three children before he came to America.

Since we do not speak or read the dialect we have no opportunity to check the records from that country and must go by the records researched by those historians who did read and write the dialect.

David married(probably second)BARBARA HERR daughter of Bishop HANS (thru ABRAHAM) HERR. She was born place unknown about 1702 and died in Earl Township, Lancaster County, Pennsylvania on the 8th of August 1742 perhaps in childbirth.

It is said that he married next ANNA GROFF who died in 1759. He then married ELIZABETH HERR MILLER who left him with a stepdaughter SUSANNAH MILLER who lived with him and cared for him thru out his lifetime.

For generations the fallacy has been carried that ANDREAS (ANDREW) MARTIN was the progenitor of the Martin family because of the small footstone found years ago saying AM 1759. This footstone may have been placed there for Anna Groff Martin, David's wife after Barbara Herr.

In 1976 we noted that the ANDREAS MARTIN who came to America on the ship Lesbie was not ANDREAS MARTIN but MARTIN ANDREAS who was shown on the list of Palantines from Mannheim and Zweibrucken. J Balledium was it's Captain when they arrived in port on the 7th of October 1749 with 450 passengers.

On the Pink Plaisance which arrived in port on the 21st of September 1732 we find a CHRISTIAN MARTIN age 63. The ship was from Rotterdam, but last from Cowes, the same route as the Ship Molly. This may have well have been the father of David Martin since he was born in 1669 and would have been the right age. Letters to Ira Landis the historian at the Lancaster Mennonite Research Journal in 1976 shows that the historians had found the error shortly before we had noticed the discrepancy in the names. (Mennonite Research Journal xvi:1:10:Jan 1975)

In the will of CHRISTIAN MARTIN of Manor,said to be the brother of DAVID MARTIN and CREEK HENRY MARTIN, and an early minister. In his will dated the 30th of September 1758 names his heirs as CHRISTIAN, DAVID,JACOB,

HENRY, MAGDALENA, FRONICA, LISSY, PETY, BARBARA, CHRISTINA, and MARY. In the Mennonite Research Journal XVI:1:1975:1:10 it states that this family is as follows:

1 CHRISTIAN MARTIN d. 1792 married SUSANNAH MILLER nfr.

2 DAVID MARTIN 1724-1806 married BARBARA HERR d. 1785 married (2) GERTRAUT SENSENIG (Sensineys of America; Barton Sensening 1943 p 32) nfr.

On the 16th of March 1828 he married in Canada VERONICA(known as Fronica) BOSIGER daughter of CHRISTIAN and ELIZABETH (STEINER) BOSIGER spelled Bosiger/Boesicker/Baysinger /Basinger etc.

They were farmers and practiced the Mennonite faith (1851 census of Waterloo twp., Victoria County, Ontario Dist 3 pg 163 line 8)

CHRISTIAN BOSIGER was the son of JOHN and MARY (LUGBIEHL) BOSIGER. They lived near the village of Basil, within 20 miles of the Swiss border when the warring armies came near their home. They fled during the night leaving all their possessions behind them and sought safety in Switzerland. In April 1822 they left their home and did not arrive in Pennsylvania until August of that year.

In 1825 Veronica(Bosiger)Martin came to Canada and the rest of the Bosiger/Boesinger/Baysinger families later settled in Ohio. Some of her sisters married Giegers and Steiners.(Henry Bowman 1920)

ELIZABETH STEINER's parents were JOHN and VERONICA (HABEKER) STEINER. Nothing more is known than this. nfr

Veronica (Bosiger) Martin was born in the Village of Basil 20 miles from the Swiss border in Alsace Lorain which was in that part that often becomes Germany. At the time of her birth it was then France. She was born during the Napoleonic Wars on the 24th of November 1802 and died in Waterloo Township on the 9th of February 1875. They are both buried in the Martin Meeting House Cemetery outside of Waterloo.

A story must be told of our visit to the Meetinghouse in the year 1973.

The snow was deep and Ward said he would not get out of the car with Cam (aged 13 years) and I. The stones in a Mennonite cemetery are mostly in German and all look exactly alike.

After tramping thru the snow,row by row,Cam got out of the car and as tho drawn to the spot, he walked right to the graves of David Martin and his two wives who rest on each side of him. And not far away is Abraham and Veronica (Bosiger) Martin.

All the children were born in Harrison Township, Elkhart County, Indiana. They are all buried in the Brick Yellow Creek Mennonite Church Cemetery on CR 11 and CR 38 in Harrison Township, Elkhart County, Indiana.

The story is told that Elizabeth(Eyman)Martin,on her death bed,asked the family to stay together. They took it to mean that none of them should ever marry. Aaron was the only one of the seven children to marry.

Aunt Ella and Aunt Salome reminded us of the two old aunts in Arsenic and Old Lace. Ella wore high collars and Salome had a dry wit. Uncle Elmer was a stoggy old gentleman that drove an old black car.

They owned a farm outside of Bristol, Indiana where they found Aunt Ella lying over the bed with her coat on. (farm was acrossed Mich.border)

And tho Aunt Kate, Aunt Caroline and Aunt Mary were dead by the time I came into the family (1946) it was a privilege to know Aunt Ella, Aunt Salome and Uncle Elmer. The old victorola that we now own with all the old 78's from back in the early 1900's came to us thru Aunt Ella.

When H. W. Martin Jr. was young and living with his grandparents, he would go to visit his grand old Aunts and Uncle Elmer. While there, of course he worked for them.

One evening Aunt Mary, who was almost blind, was peeling the potatoes. She accidently picked up a bar of soap and added that to the peeled potatoes. Uncle Elmer was livid.

Junior (H. W. Jr.) was allowed to play the Victorola but he had to brush each and every record before hand. The records are unmarked today (1986)

Aunt Mary did the most beautiful quilting, with the tiniest stiches one could ever imagine! They are all sorely missed.

He left Indiana and milk tested around Michigan where he met BERNICE IRENE BENTON the daughter of HOWARD (Edgar, Daniel) BENTON and MAMIE MAE (Franklin, Edgar) COLE. Bernice was born in Shiawassee County, Michigan on the 1st of May 1912.(bc) They were married on the 3rd of November 1930. near Bryan, Williams County, Ohio (obituary)

Employed at Jordan Furniture, Grand Trunk Railroad, caretaker of estates around Durand and Flint, Michigan they moved back to Indiana in 1944 and took up residence at the farm that had been occupied by his brother JOSEPH L. MARTIN. There,they were engaged in farming and breeding and milking jersey cows and were also engaged in DHIA. Known all over Michigan, Ohio and Indiana,they tested the milk of many herds but that is now an obsolete profession.

The farm called the "Maple J" for the boys, Junior, Joe, Jim and Jerry, later became theirs where they raised Registered Jerseys until they sold the farm to their sons Joe and Jim.

The barn,which is no longer there,was beautiful and well kept.

One day while on our honeymoon there, Dad and Mom (Bernice) went to church (Baptist) and left Jerry and I alone with the admonishment not to use the tractor.

The day was hot and I wanted an ice cream cone. Jerry was just six and I asked him if he wanted to go to Southwest (a little corner some 5 miles away) for one. He said that Dad had told us not to use the tractor. But I hadn't been told not to, just Jerry. The only thing wrong is that I didn't really know how to drive.

We made it there and back safely and I decided to back the tractor up to the door of the barn which sat on a beautiful hill. BUT I DIDN'T STOP AT THE DOOR!!! When they came home and saw the door I thought my skin was mud. But being the loving person he was, Dad did not whip me.

While in Detroit he worked for the Grand Trunk Railroad at the beautiful Michigan Central Depot on Michigan Avenue. They lived for a time with Catherine's parents and later moved to several locations.

In 1950 they moved to Vernon Township, Shiawassee County, Michigan where Catherine's Aunt Winifred (Osmun) Hunt resided alone after being left a widow. Since she had no children, Catherine felt she was needed to care for her.

On one acre that Ward earned for putting up the south line fence, they tore down the old chicken coop and using the lumber and nails from that structure, re-built a 15 x 16 room in which they lived with three of their sons. In 1952 with the birth of the third son they added the kitchen and in 1955 they added the living room. By 1960,after they purchased the farm of 21½ acres from her aunt's estate, and when the fifth son was born, they added a back bedroom.

In 1974 they completely remodeled the house which is valued today at some $70,000. The main part of the house consists of old lumber which they acquired from buildings around the county that had been tore down.

Today, Ward is a disabled Retiree from General Motors Truck and Bus suffering from Polycythemia, an a/v heart block, and diabetes. Although not as active as he once was, he maintains his cars, lawn, and indexs census for future genealogists to use, and works in his wood shop when he can.

THE GOOD OLD DAYS

As I ponder genealogy
and think of days of yore,
Ancesters I'm related to
who've now gone on before.

It's interesting to read about
the things they used to do,
Some had real ambition
and the no-ambitious too.

They had their disappointments
They had their pleasures too,
And satisfaction in the kind
of things they had to do.

We think them real old fashioned
with the kind of clothes they wore,
and tools they had to work with
we'd think was quite a chore.

They met on Sunday morning
in a meeting house or home
To hear a Gospel message
and send praises to the throne

The neighborhood was sparse,
They traveled quite a way
to visit friend or kin folk,
they'd start at break of day.

What we call conveniences
they hardly had at all,
A little rustic "house" out back
For heeding "natures call".

Trees were cut for building,
and wood for the old cook stove,
A treadle machine for sewing
all of their needed clothes.

They dug the wells by hand,
They walked behind the plow,
They had a couple chickens,
some horses and a cow.

When sickness, building, quilting,
or butchering time came round
Neighbor, friend, and relatives
would come to help along.

When people say "the good old days"
One wonders what they say,
Perhaps the lack of rush and fuss
which is the mode today.

Will the present generation
one day look back and say
kind of boasting, how 'twas done
back in "the good old days".

As generations come and go,
The passive and go-getter,
I suppose there's always some to say
Those "good old days" were better.

A CEMETERY

A cemetery is a lonely place
For all is quiet and still,
It calms the heart, renews the mind
Who wanders there at will.

The names carved in the headstone
Are interesting to read,
one ponders over victories won
or some dramatic deed.

Departed ones of friends and kin
Bring cherished memories near.

When life is rushing far too fast
Come and find it peaceful here.

To meet the challenge of a day
Within a graveyard trod,
In silence one may capture there
The still small voice of God.

It's not a scary place at all,
no spirits roam at will
It's just a gentle, lonely place
Where all is quiet and still.

BASHOR(E) FAMILY

From the book by Dr. Henry Jones on the families that settled in Schoharie County, New York before 1711 we find the name of the first Bashore immigrant to America.

Dr. Jones wrote the German home of the Boshaar family was 6660 Zweibrucken which is 28 kilometers east of Saarbrucken. Their church books begin in 1607.

Hans Albrecht Boshaar was the progenitor of the Bashor(e) family. There were umlatts over the "o" in Boshaar giving it the sound of an "a" or "e".

Whether this is our direct line was left to Frances Bashor Francis,the Bashore family historian, and she told us in a phone conversation back in 1976 that we descend from Hans Jacob Boshaar. We are using most of her material as our reference and can neither confirm or deny her statement. Since she is considered the Bashor authority we took her word for the line of descent.

Of one thing we are sure, is that Jacob Bashore of Miami County, Ohio was indeed our ancestor. And we can trace his steps from the 1880 History of Darke County, Ohio by Beers, from the date of his birth, his land records, his will, the census for Miami County, Ohio; and of course the tombstones in the cemeteries.

Some of his descendants have kindly supplied further information on the other family members. Of this, we are most appreciative.

For the benefit of Bashor(e) researchers we include the following information we have found in our own researching. For all others, the Frances Bashor Francis papers can be found in the Lancaster Mennonite Library at 2215 Mill Stream Road Lancaster, Pa. 17602 and the Philip Schaum Library.

B1 HANS JACOB BOSHAAR was born in Breitenbach, Pfalz, Germany about the year 1647,the son of HANS ALBRECHT BOSHAAR late of Breitenbech, Pfalz, Germany. Hans Albrecht Boshaar may have died before 20th of Janaury 1681 when his son, HANS JACOB BOSHAAR, married in Zweibrucken, Pfalz, Germany, ANNA GERTRUD MEYER,the daughter of the late Court-gardener HANS LUX and his wife, BENIGNA (----) MEYER. Anna was also christened at Zweibrucken on the 17th of October 1647 and died there on the 4th of March 1693 at the age of 45 years 4 months.

HANS LUX MEYER may have also died before the marriage as he is also listed as the late Court-gardener. Anna Gertrud Meyer is known to have had a brother named JOHANN NICKEL MEYER.

Assumption that Hans Albrecht Boshaar and Hans Lux Meyer were dead is taken from the fact that both were listed as being late,in the marriage records of their children, but this has not been proven. It could also mean that they had lived at a previous place instead of being deceased.

A cooper by trade, Hans Jacob is listed as a citizen, cooper and widower when he married a second time at Hornback on the 30th of July 1693 CHRISTINA, the daughter of the late SAMUEL MAURER. Samuel was listed as a citizen and linenweaver. Hans Jacob Boshaar was also confirmed at Zweibrucken in 1699.

In the year 1709 he applied for the intention to emigrate which is in the archives of the Duchy of Zweibrucken which lists him as,"Jacob Boesshaar, a cooper from the town of Zweibrucken." (Emigrants from the Palatinate to the American Colonies in the 18th Century p21) He came with a wife and 6 children on the 3rd of July 1709 (Rotterdam Lists)

He was listed in the Hunter List as #73 on the 24th of December 1711 with 2 persons under 10. The last entry found was on the 13th of September 1712 with 3 persons under the age of 10. He first becomes naturalized on the 21st of January 1715/16 (Albany Naturalizations) and is taxed at Hurley in 1718/19 (Ulster County Tax list). He is again naturalized at Albany on the 22nd of November 1715 as JACOB BSHEERE.

There is also listed a JOHANN JACOB BOSHAAR on the 4th of July 1710 with 6 persons over the age of 10 and 2 under 10. Whether these are two different men cannot be ascertained. But the english interpution of Johann is John and Hans is Henry. It is altogether possible that his full name was John Henry Jacob Boshaar. It does not seem likely that this is his son Hans Jacob Boshaar who was born in 1681 as he would not apt to be old enough to be married with children by 1709-1715.

In the court records printed in the National Genealogical Society Quarterly [Vol 60:4:284] we find him in the records having trouble with his neighbors. Christopher Denmark charges that he, his wife, children and cattle are in danger of their lives from Jacob Boshair and Christina,his wife in July 1718. Jacob claimed that Denmark and his wife have abused and misused them. He was ordered to give surety of L25 for his good behavior. In September he is discharged.

Hans Jacob Boshaar is dead at Hurley, Ulster County, New York before the 6th of December 1719, when banns were posted in the Old Dutch Reformed Church at Kingston, Ulster County, New York,for his widow, CHRISTINA WEEVER to marry WILJEM BOLK who was from England. He was the widower of PIETERNELLA SMIT and they were both residing at Rosendale, Ulster County, New York.

Frances Bashor Francis thought that there might have been an additional child for Hans Jacob Boshaar and his wife Christina named JOHANNES who was born between the 25th of March and the 24th of June 1711 and was dead by 1756, when a child of JOHANNES and MARIA KUNIGUNDA (---) named DANIEL, was married, as the son of the late Johannes and Maria Kunigunda (---),to CATHARINE, the daughter of the late RUDOLPH RUDY, on the 30th of March 1756. (Rev. John Waldschmidt's marriages in the Pa. Archives series 6/v 6/p210)

Actually, she was the daughter of CONRAD RUDY as proved in the Lancaster County, Pa. Orphan's Court Records 2 June 1746.)

JOHANNES BOSHAAR married at New Holland, Pennsylvania in 1748,MARIA KUNIGUNDA (---) and they sponsored BALTHASAR BOSHAAR and wife ANNA MARIA.

MY ANCESTRY

One day while pondering thoughts of me,
How it was that I came to be
Belonging in this family tree
Then wondered about my ancestry.

In searching through our family book
I'm amazed at all the work it took
To bring together what's written there,
I must have kin folk everywhere.

While wondering where these folks are from
With names like mine, whence did they come?
I had to begin way back in time
To find my roots in this family line.

Cemeteries showed me more
Names on gravestones-who've gone before,
Who lived and toiled the same as me,
They have built a heritage solidly,

Since I'm a part of the family tree
The challenge now is up to me.
This heritage which now is mine
Must be preserved for future times.

So kin folk coming after me
Who too belong in this family tree
May feel the soldarity
When thinking of their ancestry.

PORCH PORTRAIT

If photographs are artifacts
That link us with the past,
I'm grateful for the ones I got-
I hope they last and last!

Each year when springtime re-awakes,
I get the album out,
As eager as a fisherman
Who goes in search of trout.

The dark green velvet cover
With its worn and tarnished clasp
Delights the eye of memory
And gratifies my grasp.

I turn the pages carefully...
Their order doesn't change;
And neither do the people,
Which is wonderful and strange.

Predictable yet magical,
They wait all year for me
To visit them with gratitude
And high expectancy.

They offer so much more beyond
The dull and burdened now.
They make me wish that I could
Step into their life somehow.

I feel myself photographer
Time's camera in my hands-
A fieldstone house with wooden porch
Appears, appeals, demands.

The sun is out and on the left
A tree's in partial bud.
Eleven people grimly pose-
No smiles content their blood.

Three couples stand,three children sit,
Two maiden types abide.
A whitewashed arbor wears gray tendrils
On the far right side.

But what I most enjoy is all
The things the porch contains:
Equipment and utensils
That attest to working pains.

Though buckets, dipper, rag, and broom
All pose in hard-earned proof,
I always wonder who threw in
That coat that's on the roof.

I sense a lilac-laden breeze
And hear a busy wren.
I close the album, energized
To spring-houseclean again.

MILLER

When our Miller ancestor actually came to America cannot be ascertained since there were numberous men by the same name.

It is known that his father was from Steinwenden, Germany and that he settled in Washington County, Maryland.

Washington County, Maryland was formed in 1776 from Frederick County which was created from Prince George County in 1748. It may be that deeds for land would be found in Prince George County showing that he came to Maryland prior to any records found to date for him.

M JOHANN MICHAEL MUELLER was born in 1655 in Switzerland. He married 1st: ANNA LOYSA REGINA who married second on the 29th of September 1695 HANS JACOB STUTSMAN.

Johann Michael Mueller died in Steinwenden, Germany on the 31st of January 1695.

Children:

1 JOHANN NICHOLAS MUELLER born the 5th of June 1685 and died on the 6th of June 1685.

M6 JOHANN MICHAEL MUELLER (Johann Michael) was born in Steinwenden, Pfalz, Germany on the 5th of October 1692- died in Maryland between 1779-1783. In Maryland the name became anglicized and is interchanged with Miller.

Married on the 4th of Janaury 1714 SUSANNA AGNES BERCHTOL,daughter of HANS and ANNA CHRISTINA (----) BERCHTOL, residents of Krottelbach, Rheinland,Platz. nfr.

Susanna was born on the 3th of May 1688.

Here we run into trouble again,since there are many men named Johann, Hans, and Michael Mueller/Miller. Many of who were in the American Revolution.

M6-7 PHILIP JACOB MILLER (Johann Michael 2-1) was born in Germany or Pennsylvania in the year 1730 and was naturalized on the 3rd of May 1774 (German descent) (DD-19,586 Maryland Naturalizations) or as Jacob on the 16th of September 1773. (DD19,380) and married in 1751 MAGDALENA (----). who was born about 1753 in Pennslyvania or Maryland and died in 1808 in Campbell County, Kentucky. He died in Campbell County, Kentucky in 1799.

Philip probably grew up in the area east of Hanover, now York County, Pennsylvania. At that time it was part of Baltimore, Maryland.

In 1745 his father Michael Miller purchased 150 acres NW of what is now Hagerstown, Maryland, the property called Ash Swamp. The family probably moved unto the property about 1751 since there was still danger from Indians prior to this time. The property was expanded to 290 acres.

In the 1783 census for the Hagerstown area it shows that Philip had only 167 acres of land, 98 acres in woodland, 14 acres in meadow land, and 55 acres of cultivated land. He also owned 9 horses and 4 cows.

In 1796 Philip Jacob Miller sold out his interests in Washington County, Maryland and moved his family to Campbell County, Kentucky probably in the area of Newport just across the river from Cincinnati which was then just a small village.

Warren County, Ohio deed books show that Jacob owned 2000 acres of land at the time of his death and the following children were named in the deed.

Land costs had been rising in Washington County, Maryland region and by the age of 28 Daniel still did not own any land. It is thought that Daniel then moved to Morrison's Cove, Woodberry Township, Bedford County, Pennslyvania about 1785. The tax assessment for that township shows in 1789 that Daniel had 214 acres, 3 horses and 4 cows. Since no records have been found to date for this land the property is presumed to be located near what is now called New Enterprise at the southern end of the valley.

This is where SAMUEL ULRICH, his brother in law was located along with many other German Baptists who had come from the Washington County area.

M6-7-6-2-5 JOSEPH MILLER (Emanuel, Abraham, Philip Jacob, Johann Michael 2-1) the son of EMANUEL and ESTHER (Rench) MILLER was born one and half miles northeast of Bradford, Miami County, Ohio on the 25th of December 1824 and died near Bradford, Miami County, Ohio on the 22nd of March 1909. He is buried in the Harris Creek Cemetery near Bradford.

On the 4th of December 1851 he married ANNA BASHORE, daughter of JACOB and SARAH (Nauftsinger/Noffsinger) BASHORE. Anna was born in Rockingham County, Virginia on the 19th of May 1834 and died on the 9th of December 1920. She is buried in the same cemetery.

From his obituary comes this bit of information: When Father Miller's parents moved on the farm where he was born, their closest neighbor lived two miles from Bradford and this community was a dense forest. He remembered and often related the time his parents and neighbors went to Cincinnati for all of their provisions and even could not buy a barrel salt closer. There was scarcely a farm near here that he could tell who entered it. A few years ago in our local paper some tried to tell how things had been in the early days. But Father Miller only smiled and said, "what do they know?" For he remembered when Bradford and the entire community was a dense forest.

TO ANY MAN
(who thinks he can trace his wife's linage to Adam!)

If you can trace your wife to Adam
that is very fine

But does her family follow down
the Cain or Abel line?

Now Adam's residence was Eden
that's a well known place

But other towns he settled in
are surely hard to trace

The court house records at that time
were very poorly kept

The clerks and secretaries then
were at best inept

You'll find his dates are always vague
for birth and marriage too.

Just take a name that's very rare
Take one where there's no doubt

Just try the name of Lillith
and see how you come out

MAUGANS FAMILY

The Maugans family were members of the Stonelick German Baptist Church in Clermont County, Ohio about the year 1802 and listed among the members at or soon after the time of its organization were FREDERICK and ELIZABETH (Maugans) WEAVER; GABRIEL and ESTHER (Miller) MAUGANS; DANIEL and BARBARA MAUGANS; ABRAHAM and CATHARINE (Maugans) MILLER; DAVID and MAGDALENA (Maugans) Miller.

From the book ANCESTORS OF FAY E. MAUGANS and LETA LOVE MAUGANS by Fay and Leta Love Maugans; Gateway Press, Inc. Baltimore 1976 we find that the first Maugans ancestor came to America from Stuttgart, Germany, coming thru Rotterdam and arriving in Philadelphia, Pennsylvania in 1695.

Conrad Maugans was born in Frederick County, Maryland about 1735 and died near Wolfsville, Frederick County, Maryland the 2nd of February 1822.

From Nancy Myers, we know that his wife was named REBECCA (-----) who was born in 1739 and was dead by the date he wrote his will.

He is buried in a family plot in a field near Wolfsville, Frederick County, Maryland.

His will dated the 15th of March 1813 was probated on the 9th of April 1822. It named sons ABRAHAM, DAVID,MATHIAS, JOHN, GABRIEL, DANIEL, and PETER MAUGANS and daughters MADELENE MILLER, ELIZABETH WEAVER, MARY FRYTHE, and BARBARA MYERS.

His land called "Conrad's Travels by Night," lay in Frederick County and contained 318½ acres and had been surveyed on the 10th of June 1791. This tract of land was left to his son Abraham. There also was a tract of land containing a 5/8 of an acre called "Tom's Farewell" that he left to his son David.

We know from that will that the son Peter was deceased but his heirs went unnamed.

This book also names a daughter Catharine who married Abraham Miller but she is not mentioned in the will. These facts have not been checked out by this author and cannot be substantiated at this time. And time is limited do to physical impairment.

We would suggest that all who are truly interested to check the facts for themselves.

Children:

1 DANIEL MAUGANS born in Maryland in 1760/1,married before 1786 BARBARA (---) and died in Delaware County, Ohio after 1830.nfr

2 PETER MAUGANS born near Wolfsville, Md.about 1761. He married and left heirs and died before the 15th of March 1813. nfr

7 JOHN MAUGANS born near Wolfsville, Md. on the 16th of July 1776 and married MAGDELANNAH (----) . He died on the 16th of August 1862 and is buried in the family plot with his father.nfr.

10 GABRIEL MAUGANS born near Wolfsville, Md in 1779 and married ESTHER MILLER. He died before the 1st of November 1822 (see Miller M6-6-8)

11 BARBARA MAUGANS born near Wolfsville, Md. in 1783 she married there on the 15th of October 1804 JOHN H. MYERS and died before the 20th of March 1835. nfr

12 DAVID MAUGANS born near Wolfsville, Md. on the 6th of June 1783 he married on the 21st of December 1806 CATHARINE BLICKENSTAFF and died on the 7th of October 1850. He is also buried in the family plot near Wolfsville, Maryland. nfr

We want to thank Nancy Myers, Joseph Wise, Carolyn Roll and the many others that helped to gather all the facts that went into making this a book for further generations to use. Many, many thanks.
